**H**ARRY Govind once again braved the cold and took to the streets of Lenasia on Sunday, July 28, 2019 to complete yet another 15km Solo Winter Warmth Charity Walk supported by Saaberie Chisty, Police and Charity Riders to name but a few.

On completing the walk, Mr Govind expressed his sincere thanks to all partnering organisation PALS, SANPARKS Honorary Rangers, Let's Do It Together 4 Education, LYM, the print and electronic media, all donors and sponsors for their continued support and generosity. Following the recent vandalism of the Valliamma Mudliar, he repeated the call to remember and honour struggle icons.

The response from the community was overwhelming with the donations of non-perishable food, pet products, money, clothes, toys, books etc benefitting over 20 organisations.

As one beneficiary, Cotlands aptly put it in their letter of appreciation "We appreciate that your donation isn't a hand-out but a hand-up."
