3.3 million children below the age of six grow up in poverty; negatively affecting their development. Cotlands vision is to see **children thrive in their formative years**. It is our mission to increase access to play-based early learning opportunities for children that grow up in poor communities.

[Volunteer](#) on #GivingTuesdaySA (3 Dec) and #MakeAToy from waste materials and help fill our toy libraries. We also need extra hands to help us clean the existing toys at our toy library depots located at our [regional offices](#). If you would like to volunteer, bring along extra toys to benefit a child's early learning. If you are not able to volunteer on #GivingTuesdaySA, support Cotlands and sign-up for a [monthly donation](#) or [#GiftAToy](#) online. Help us fulfill our mission.
