

Kutheni
ndingamboni
uGogo
noTamkhulu?

Ibali ngokubhalwe nguLaura Harvey
(Translated into IsiXhosa)

Imele ukuba iyinto
engummangaliso yokwenyani
phambi kwakho ngento
eyenzekayo.
Izikolo zivaliwe...
izitalato zizolile...
Ingaba bayephi na uGogo kunye
noTamkhulu?

Uyabona kukho le
ntsholongwane ihamba
njengengqele okanye
umkhuhlane,
Inokusenza sizive sinobushushu
kwaye sidinga ukukhohlela.
Akukho sidingo sokuba ube
nexhala ngokuba kuza kulunga,
Ukuba uziva ungalunganga uya
kuba ngcono ngexesha nje
elingephi.

Into malunga neCoronavirus
(igama lale bug)
Inzima kwabanye abantu
esibathandayo,
Ungoyiki kwakhona njengokuba
uninzi lwabantu luba ngcono,
Kodwa kufuneka silumke kwaye
sonke sisebenzisane.

Ibug inobuqhophololo kwaye
isasazeka ukusuka kumntu omnye
ukuya komnye,
Kodwa zininzi izinto esinokuzenza
ukuze izinto zingabisonakala.
Njengokuhlamba izandla zethu
ukuya kumashumi amabini...
Kwaye isepha-nceda uqiniseke
ukuba usebenzisa ibeninzi!

sikusikelele

Ukuba ukhohlela okanye
ukuntywila nceda usebenzise
izicubu,
Okanye ugqume impumlo
ngengqiniba, kwaye siya kuthi
sikusikelele!
Kodwa eyona nto ingcono
yokwenza ukumisa ibug
kumkhondo wayo,
Kukuyeka ukubabona
abon'abantu ibachaphazela
kakhulu.

Ngale ndlela sazi ukuba
singabagcina bekhuselekile,
Kwaye siqande ibug ukungayi
kwindawo zonke.

Le yeyexeshana nje, kwaye
ayizokubakhona ngonaphakade.
Ke ngoko masijonge phambili xa
sijonge okulandelayo sisonke
kunye!

Mholo
kwakhona

Kodwa okwangoku
sinokufumana indlela
eyahlukileyo,
Singathetha kwifowuni yonke
malunga nomhla wethu,
Siyakwazi ukubonana ngefowuni
yevidiyo,
Kwaye sabelane ngokufika
kwethu okuhle nokuba kuncinci.

Kuya kuba nzima ukuba singakwazi
ukuhlala kunye kwaye sidlale,
Kwaye sidibane njengosapho
ngendlela efanayo.

Yenza umakhulu kunye no
tatomkhulu babelusizi kakhulu.
Eyona nto inzima kubo kukubana
abakuboni.

Intsholongwane
iphelile.

Bayakuthanda kakhulu
kwaye baya kulinda umhla,
Xa sisiva kwiTV ukuba i-bug
iphelile.
Kodwa okwangoku masenze
konke esinako,
Khumbula...
