### Target learner/audience

Librarians, Toy Librarians, Assistant Toy Librarians, budding entrepreneurs and anyone passionate about operating a quality toy library service aimed at promoting inclusive and fun learning through play during early childhood.

### Cost

The total cost per learner is R17 669 incl. VAT

This includes:

- Mentorship training based on your learning style
- Access to all material
- Helpdesk
- Community of learning

### Benefits

Learners are able to work through the online programme at their own pace and when it is convenient for them.

Learners will be able to set up a toy library:

- Undertake the relevant administration, financial, marketing and operational duties.
- Process, categorise and manage toy library stock.
- Implement play-based learning play sessions.
- Advocate and promote the importance of play-based learning.
- Provide members of the toy library with suggestions and assistance on the selection of toys according to age group, developmental needs and interests.
